

QUALITY POLICY

E-Waste Recycling Australia provide and manage a cost effective recycling services.

We achieve success by:

- Striving to work as an efficient team within each business area of the company.
- Preparing and completing each task to the customer's requirements and on time.
- Notifying the customer immediately of any delays to delivery of products.
- Adhering to and keeping up to date with legal, other relevant requirements as well as client requirements.
- Establishing and reviewing our business and quality objectives.
- Monitor of business & quality objectives via set targets to ensure customer satisfaction & continuous improvement of the company which are reviewed at the Management Review meetings.

An essential part of this is that we must always seek to maintain good relationships with clients, employees, sub-contractors and suppliers.

As a result we are committed to following all the procedures in the Business Management System which has been prepared to meet the requirements of ISO 9001 and to continual improvement of the Business Management System.
